BIOGRAPHY

Enthusiastic, dedicated and versatile creative designer with a background in project management, space planning and computer-aided design, seeking to take next career step with a respected design studio. Excellent interpersonal skills, confident in communicating with colleagues and clients.

EXPERIENCE

Graduate Designer, MCM-UK April 17 - Sep 17

MCM is an award-winning creative consultancy of Architects, Designers and Workplace Strategists. Worked on design projects for a wide range of clients such as L'Oreal, ITV, Barclays London Campus, EY Cork, EY Edinburgh, Pinsent Masons and Expedia Madrid; Met with clients, determined their preferences and worked within a budgeted work plan; Fabricated AutoCAD supported rough sketches for each project and presented for client approval; Identified the suppliers and made the orders of required materials; Collaborated with architects and contractors during stages 1-3 regarding special considerations based on the approved plan; Carried out all project related documentation and maintained project files

Calcutta House Cafeteria Project April 16

Work placement by the university to redesign an existing cafeteria in Calcutta House in order to fit the growing capacity of the University Building in the upcoming year; Created the concept, including design and planning; Worked with fabrics, textures, furniture and space considerations to maximise the existing space into a cafeteria for more than 2000 students at London Metropolitan University; Met with the involved finance and design teams and conferred over the feeling they wanted to convey; Conducted site surveys and made suggestions; Provided sketches for the proposal along with cost estimates

Creative Director, Grey Area Bookings May 16 - present

Established and maintained relationships with various vendors, sponsors and community organisations. Designed the venues for the agency events; Working with the design team on the agency branding.
